"to submits for sanction the proposal of the Sanitary Board K.G. to make permanent two rent Collectors and certain other Officials working on temporary basis for a long time."

The total cost of the temporary establishment proposed to be made permanent comes to Rs 495 - Rs 25 (pay of one rent collector continued to be temporary) or Rs 470/-. This figure works out to Rs 469 according to the printed copy of the appendix to the Sanitary Boards Resolution this is due to the fact that the Pound keepers pay is given as Rs 12/- in the printed copy and as Rs 13/- in the typed copy. In either case the average cost on the whole must be more than Rs 470/- as the Sanitary Maistries are given a grade pay of Rs 15-1-18. This is noted differently in the typed copy viz Rs 15-½-18

If approved this will be pointed out & correct information called for before for orders with draft.

Sir,

I have the honour to state that the establishment under the Sanitary Board detailed in the enclosed statement was entertained long ago with the sanction of Government, without any specific mention of the period of their retention or otherwise and has been continuing since then, without their being placed on a permanent basis, like the other permanent staff of the Board. Their services are indispensable for the work of the Board and they cannot be disbanded at this stage, in the interests of the Board's administration.

The Rent Collectors under the Board having represented and pressed their claims for being made permanent in their posts on account of their long service in the Board, the matter was considered by the Board at their meeting on the 24th October 1924 when the Board decided that the posts of two Rent Collectors and other employees of the Board on similar footing referred to in the annexure be made permanent and provision for pensionary -- charges made in the Budget for 1925-26.

2 I request you will be so good as to obtain sanction of Government to the Board's recommendation for making these -- posts permanent and placing them on the same basis as the other

permanent

permanent establishment of the Board.

3. A copy of the Board's resolution in the matter is submitted herewith.

I have the honour to be,
